

Debt Payoff Worksheet

A free worksheet for organizing balances, payments, and payoff progress.

Debt inventory

Debt	Balance	APR	Minimum	Extra payment	Priority

Payoff strategy

Avalanche: prioritize the highest interest rate while maintaining minimum payments. Snowball: prioritize the smallest balance for faster account-level progress. Choose a method you can sustain.

Month	Debt targeted	Starting balance	Payment	Interest	Ending balance

Month	Debt targeted	Starting balance	Payment	Interest	Ending balance

Important

Do not stop required payments on other debts. Estimates may differ from creditor calculations. Consider nonprofit credit counseling or legal advice when debt is unaffordable or litigation is involved.
